JUST SEE HERE.

PREHAPS just about the finest lot of DRUGS ever brought into N. Mississippi or any other country, has just been opened at the S. East corner of the Court House in the town of Panola, where the friends of medicine and all who wish for any thing in the line of

Drugs and Medicines; Paints and Oils; Paint Brushes; Window Glass, and Dye Stuffs, can be accommodated just a little better and cheaper than they could be at Memphis or New Orleans.
The subscriber is desirous of making an experiment in the sale of Drugs at this point, and all that is necessary to render it successful, is that all those who desire a good and cheap article of any description usually kept by those in this line, should drift this way and float in.
He does not believe that a customer who will try him once, will ever be induced to go any where else for any of the necessities or superfluities of life, with which his establishment is so well stocked; for he does suppose and believes most conscientiously, clearly & indubitably that he can serve a customer cheaper, better and more to the satisfaction of all parties than such a thing has been, done within the recollection of the oldest inhabitant.

The period of the year is approaching when medicines are usually in demand for families and plantations, and the subscriber has taken extraordinary pains to purchase such an assortment as will enable him to respond in the affirmative to every reasonable interrogatory of a customer, and he cannot see any earthly reason why the people of Panola and its vicinity should so far forget themselves as to go fifty or five hundred miles for an article which they might get here, and save travel and trouble, and of more importance still, get a cheaper and better article by calling at the DRUG STORE of S. N. PEARSON.

James E. Evans, et al
vs.
John Evans, et al

IN this case it appearing to the satisfaction of the Court that Lorenzo D. Evans, John Estis and Penelope Estis are non residents of the State of Mississippi.—It is therefore ordered by the court that unless they appear at the July Term of this court and answer the allegations in the petition in the above case, the same shall be taken as confessed against them. It is further ordered by the court that notice be given in the Panola Lynx, a newspaper published in the town of Panola for sixty days.
Witness the Hon. John T. M. Burbridge Judge of said court at the court house of said county the 20th day of April A. D. 1846, and the seal of said affixed. J. C. ARMSTRONG, Clk.

ABSTRACT OF THE BILL.
The petition charges that John Evans died in Nov. 1842, leaving four children besides petitioner; that dec'd. in 18 an instrument purporting to be his last will and testament was admitted to probate on the evidence of one witness, that dec'd. left a large estate consisting of real and personal property, amounting to between seven & eight thousand dollars, that petitioner had never received but one negro girl from dec'd. That said instrument is fraudulent & not the will of the dec'd. and that dec'd. was incapable at the time of making a will, that he was not of sound and disposing mind at the time, nor for a long time previous, that defendant sought the advantage which infirmity old age and insanity had given them, obtained his signature to an instrument, the contents of which he was ignorant, and that dec'd. by stratagem attempt to set up the same as his will and thereby attempt to secure to themselves the property to the exclusive of petitioner, that petitioner had delayed proceeding thus long on account of promises by defendant that they would divide with petitioner. Petitioner prays that defendant be compelled to appear at Term of said court and answer fully the allegations in said petition and set said instrument and probate be set aside and that the property descend as at law as in cases of intestates, and a general prayer for relief.
